

Instructions for authors to prepare a scientific article in Proceedings of the Doctoral Day of BioScience? 2021

1. Basic technical instructions for the preparation of the article:

- article in Slovene or English
- length from 4 to 6 pages
- abstract in one paragraph (up to 250 words)

maximum number of references/sources:

- maximum 2 pictures and 1 table in the article

2. The text of the articles should be structured according to the IMRAD scheme (Introduction, Methods, Results and Discussion), as used by the scientific journal Acta Agriculturae Slovenica at the link:

[Submissions \(uni-lj.si\)](#)

3. The main part of the article should be divided into 5 chapters marked with Arabic numerals:

1. INTRODUCTION
2. MATERIALS AND METHODS
3. RESULTS AND DISCUSSION (together or apart)
4. CONCLUSIONS
5. REFERENCES

4. Send the article, that your mentor must agree to, to the following e-mail address: vesna.jesejanezic@bf.uni-lj.si. The article will be included in the program only after receiving a confirmation email from this e-mail address.
